

Priority Listing for Scholarship Funding

North Dakota Academic Scholarship
North Dakota Career and Technical Education Scholarship

If the number of eligible and verified applicants exceeds the allocated funds for the North Dakota Academic and North Dakota Career and Technical Education Scholarships, the following priority listing will be used in the distribution of available funds.

1. Ongoing Student

A student attending a ND college/university who has satisfied the requirements for the continuation of award money – full time enrollment and the maintenance of a 2.75 cumulative GPA each grading period.

2. New Awardee

A student attending a ND college/university in the fall semester immediately following high school graduation.

3. Stop-Gap Student

A student who started attending a ND college/university in the fall semester immediately following high school graduation but did not enroll in consecutive semesters. Student does not attend college/university for a period of time and re-enrolls within six years of high school graduation for undergraduate work. Student is under the \$6000 scholarship award limit.

4. Deferral Student

A student who deferred the scholarship award and did not attend a ND college/university immediately following high school graduation. Student enrolls in a ND college/university within six years of high school graduation for undergraduate work.
